Join C3

## Administrative

•General Contractor invites Specialty Contractor to project

- •Enter company's supervisors, managers, foremen, craft workers, and their OSHA cards or certificates, into the **C3 Database and assign workers to C3 project**.
- •Use the C3 Database to **invite your sub-tiers** to the project (if applicable)

• Participate in Jobsite Compliance Visits, including participating in interviews conducted by C3 personnel

## Jobsite

\*Sub-tiers must be enrolled in C3 before they can be invited to a project.

\*Workers who are not in the C3 Database, or do not have proper OSHA credentials uploaded, are not permitted to work on C3 projects until they have been entered.
